

The Cirque 900

The Cirque is a contemporary wall-mounted basin with a sleek, curvaceous finish and a seamless appearance.

Ideal as a smaller bathroom solution, the Cirque is available in five different sizes, ensuring flexibility and adaptability – from 450mm, perfect for a guest powder room – right up to 1500mm with double basins.

Integrated into the front of the 750, 900 and 1200mm versions is an elliptical cut-out, cleverly designed as the perfect nook for hanging a hand towel.
