

Hatch is a new collection of Solid Surface counter-top basins, so-named because of their appealing rounded forms reminiscent of the organic shape of an egg.

The initial collection comprises two shapes – Hatch Round and Hatch Oval. Both basins are beautifully formed with shallow, gently rounded sides curving down to a flat base.

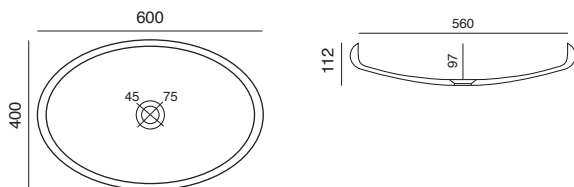

Solid Surface's smooth, matte white finish makes for an appealing look and feel.

SOLID SURFACE:

Solid Surface is a composite material composed predominantly of natural materials (around 60%) combined with high-grade polyester resin. The finished product is a seamless, non-porous and hygienic surfacing material ideal for bathroomware. Solid Surface is also renewable, meaning it can be fully restored to its original condition.

CLEANING:

Clean with a soapy sponge, followed by a rinse. For stubborn stains such as lime scale or soap build up use a mild abrasive cleaner like Gumption® paste, Jif® cream or Ajax® cream or powder – use with a soft damp cloth in wide circular motions. Finish by rinsing with a clean, damp cloth.

IMPORTANT NOTES:

Seven (7) years
All CIBO bathroomware should be installed by a licensed plumber.
Tapware, plug & waste sold separately.
